Wednesday—Betty Compton and Milton Sills in "At the End of the World." Two big Paramount stars plus a big story makes a good night's entertainment. All the men she had known were the guzzling, gambling rabble that drifted through her father's den in Shanghai. But when she was left the prey of three who loved her—a wandering writer, a sailor and a thief—come and see how it ends. By the same cast that made The Miracle Man.

IN HONOR OF MISS ROSE.

Miss Elizabeth Sloan entertained at cards on Saturday evening in honor of Miss Emma Rose, of Greenville. Six tables were set for bridge. The score prize, a deck of cards, was won by Miss Lucy Doty. The guest of honor was presented with a dainty vanity. Ices and cake were served.

NOW IS THE TIME.

Did you ever sit in the Community House waiting for the program to begin and see a beautiful girl come in and begin chewing gum vigorously? Were you shocked? If not you do not know what good form is. Did you ever have the good impression made by a handsome young man dispelled by the "have saws," the "had wents," and the "aint got nones" he slung around? If not, you likely slung around such expressions yourself.

Every young high school student should look well to his physical condition, his personal appearance and his manners, as this has much to do with his success in life. Unless a man has good health, pleasant manners and a neat appearance, he is not likely to succeed. Nevertheless, a man who makes more of his physical appearance than his mental appearance is making a great mistake.

In these practical times high students are apt to regard their studies as necessary or as unnecessary evils to be avoided. They are making a great mistake. The thing that the world needs now more than anything else is men and women with clear-thinking brains. Unless we begin now to train our brains to think clearly and practically, we will not be able to accomplish this when we are older. Now is the time, boys and girls, to prepare for that greater work, in order to be successful in any vocation.

STATE CONTEST.

On last Thursday Miss Bessie Chalmers, Mr. and Mrs. Patton, Janie Hood, Roy Robinson and Tom Sentell left for Columbia where Miss Hood and Mr. Sentell represented Mt. Zion at the State Oratorical Contest held there. They were in the preliminaries which were held in the afternoon and Tom Sentell was

lucky enough to get in the finals that night. They were both fine and Mt. Zion is very proud of them, even if they did not win the cup. The spoils do not always go to the victor.

The State track meet for boys was held Friday. William Cathcart tied for second place in the high jump.

THE JUNIOR-SENIOR RECEPTION.

The following invitations have been issued to the teachers and pupils of the junior and senior classes:

"The Junior Class of Mt. Zion requests the pleasure of your company at a reception to be given in honor of the Senior Class at the home of Dr. and Mrs. J. C. Buchanan on Friday evening, May the fifth, at nine o'clock."

This reception is an annual affair and one looked forward to. We are sure we will all have a good time.

STATE TRACK MEET.

The State high school track meet was held in Columbia on April 28th. Mt. Zion was well represented by Sabie and William Cathcart with their coach, Mr. M. M. Stewart. William made the crowd take notice when he tied for second place in the high school jump, jumping 5 feet, 4 inches. We are very proud of William and Sabie, and are sure they will make a record in college.
